

REMEDICATION & RESTORATION

With over 30 years of manufacturing experience producing tapes to meet the needs of the Remediation and Restoration market, Intertape Polymer Group® (IPG) is committed to these markets. IPG is uniquely positioned to provide solutions such as duct tape, film tapes and masking tapes with the broadest product portfolio in the industry.

We offer tapes for the most challenging of jobs including oil field remediation, asbestos and mold abatement, and disaster recovery. We also offer a full range of packaging solutions to facilitate effective distribution of Remediation and Restoration supplies.

We are committed to growing with our partners with a focus on providing and developing innovative products that aid in speeding up clean-up more safely and effectively.
