

USA 20-BFF

UNIFORM SEMI-AUTOMATIC BOTTOM ONLY CASE SEALER

Interpack's USA Series Case Sealers are adjustable, operator fed machines that process same sized RSC style cases. The USA 20-BFF improves productivity and ergonomics by assisting the operator with automated assemblies such as extended side drives, "T" rail pack station and bottom flap folding. Every Interpack™ Case Sealer comes with an ET 2Plus tape head with adaptive technology to provide optimal tape application and wipe down to each of the 3 taped panels of the case.

When you compare features, benefits and value, Interpack Case Sealers are the right choice for operators, plant engineers, maintenance and purchasing.
